as a Trading Zone

# DIGITAL HUMANITIES

## INTERNATIONAL PERSPECTIVES

**RAY SIEMENS** is Canada Research Chair in Humanities Computing and Professor of English at the University of Victoria with cross appointment in Computer Science. Editor of several renaissance texts and founding editor of the journal *Early Modern Literary Studies*, he has written numerous articles on computational methods and literary studies and is co-editor of Blackwell's *Companion to Digital Humanities* and *Companion to Digital Literary Studies*. Chair, Alliance of Digital Humanities Organisations' Steering Committee, he is also incoming Vice President of the Canadian Federation for the Humanities and Social Sciences.

**PATRIK SVENSSON** is Director of HUMlab at Umeå University, Sweden, where he is Senior Lecturer in humanities and information technology. He is author and editor of books in English and Swedish including on language education, linguistics and digital technology. Svensson has a long-term interest in the intersections between technology, learning, collaboration, innovation and creativity in the humanities. His recent articles in *Digital Humanities Quarterly*, 'Humanities Computing as Digital Humanities' and 'The Landscape of Digital Humanities' survey the international field.

**TUESDAY 22 MARCH 2011, 11.30AM-1PM, HEDLEY BULL LECTURE THEATRE HB 1**
