REBECCA LOUISE

THE MONKEY'S MASK

**FILM, POETRY AND
THE FEMALE VOICE**

ATOM takes pleasure in inviting you and a guest to the launch of *The Monkey's Mask*.

In a discussion of Samantha Lang's 2000 filmic adaptation of Dorothy Porter's verse novel, *The Monkey's Mask*, Rebecca Louise's monograph offers rare insight into the role of Australian poetry in Australian cinema. *The Monkey's Mask: Film, Poetry and the Female Voice* makes a substantial and unique contribution to scholarship on Australian poet Dorothy Porter, adaptations (verse-novel to film), and understanding the female voice. Louise's monograph will appeal to fans of Dorothy Porter, those studying and teaching film studies and literary studies, and those intrigued by the relationship between cinema and poetry.

The book will be launched by Melbourne poets Meg Dunn and Jen Jewel Brown.

PLEASE JOIN THE AUTHOR TO CELEBRATE THE BOOK'S LAUNCH.

Refreshments and finger food will be provided.
