The Australasian Consortium of Humanities Researchers & Centres Presents

COMMUNICATING TRUTH & BEAUTY
A Dialogue with the Sciences

15/16 NOVEMBER 2021 ONLINE CONFERENCE

Image: Grayson Cooke, excerpt, "Songs of a Changeling Earth" 2019

What can humanists and creatives learn from scientists about communicating their ideas and value to the public at large?

What is the role of cultural institutions in public culture, and how can the humanities and creative arts contribute to that mission?
